Please Join Us

for a seven-mile, virtually no elevation-gain hike through Fairview Park to the Talbert Nature Preserve, Banning Ranch, and then on to the beach!! Learn about the history of this area and the importance of preserving this sensitive and endangered ecosystem as part of a proposed park/nature center designed to provide an "oasis of tranquility" near the confluence of the Santa Ana River and the ocean.

This hike is part of the Sierra Club, Orange County Group's Urban Conservation Hike series, and is being held to emphasize endangered ecosystems within Orange County.
